Indian Cross-Stitch Pattern

<http://newstitchaday.com/how-to-knit-the-indian-cross-stitch/>

*An Exclusive design for
Mint Yarns, using just 2
skeins of luxurious silk yarn!*

Notes:

- Gauge and swatching are not required for this project.
- If unfamiliar with Indian Cross-Stitch Pattern, please practice on scrap yarn as recommended yarn when frogged and reused does not give the same finish.
- Join skeins using "Magic Knot Join" method.
- When knitting with recommended yarn, be careful not to 'knit/pick up' stray sari threads woven into the yarn.
- For rows 5, 11 & 17: When wrapping yarn over needle, do this a little loosely, making sure the loops slide over the needle easily. This will help you on rows 6, 12 & 18.
